ON A SLIPPERY GRIDIRON

Trinity Hall Trims the Linsly Boys to the Tune of 21 to 0—The Visitors Too Heavy, Interest Growing in the Big Thanksgiving Game—The Line-ups.

The chosen eleven of Linsly Institute and Trinity Hall, of Washington, Pa., battled against the elements as well as against each other yesterday afternoon on a sloppy gridiron, at the island ball park. The Trinity Hall boys were easy victors, defeating Linsly 21 to 0. The game was an exhibition of swimming in pools of water and slides across a muddy field, while the alternate dashes of rain and snow might have daunted more ambitious football aspirants, but the boys stuck to it until the call of time and the 150 spectators, the majority of whom were girls, forgot the discouraging weather in the excitement of the occasion.

The visitors outclassed Linsly in weight and science, and averaged fifteen pounds more. Linsly claims that professors Rodgers and Davis are not bona fide students, but Principal Smith, of Trinity Hall, stated to the Intelligencer that as his school has only thirty-eight students, Linsly agreed to let the professors play. Principal Smith said also, that he didn't object to Barrett, Johnson and Woods, whom he had heard didn't attend the Linsly. In the second half Linsly put Dullin-Barrett in at full back. Barrett's tackling stopped several of Trinity Hall's advances, but nevertheless Trinity ran up three touchdowns in this half. The Trinity boys played an elegant article of ball. They ripped through Linsly's line for big gains and skirted the ends for several long runs. Linsly couldn't do anything with their heavier opponents and contented themselves with a game and

Pittsburgh College and W. A. C. Equal in Weight—To-morrow's Game.

The interest is increasing in the big Thanksgiving game to-morrow between Pittsburgh College, one of the crack college eleven of western Pennsylvania, and the Wheeling athletic club, and no game here this season has its outcome enshrouded in so much doubt. On form the collegians ought to win, but

COMING FOR HIS BRIDE.

The Earl of Stafford Will Soon sail for America to Claim the Hand of the Beautiful Mrs. Colgate.

Of all the high society weddings scheduled for early winter there is scarcely one around which there radiates more interest than that of the Earl of Stafford of England and Mrs. Samuel Colgate, of New York, London and Paris.

Mrs. Colgate is young and beautiful and quite a social favorite. She has spent much time abroad, and experience, combined with natural talent, has made her rank among the most delightful hostesses of both this country and Europe. She is the widow of the late Samuel Colgate, whose name is always synonymous with millions. The Earl of Stafford has also been previously married.

BELLAIR.

All Sorts of Local News and Gossip From the Glass City.

There was an alarm of fire yesterday evening caused by a blaze in Hershberg Bros. store on Union street, opposite the postoffice. A pipe from a stove in the store entered a chimney at the side of the building. An open grate below had not been closed and sparks from the chimney fell on the lower shelving and started quite a blaze. The alarm was given, but before the department all got out, firemen with chemical apparatus extinguished the blaze, and the loss was trifling.

Marshal Johnston served thirteen saloon men with notice to appear before the mayor and answer the charge of Sunday selling. As they answer to the roll call the mayor says \$30 and costs, and all but three took their medicine. One of them told the mayor that if any one kicked he would be safe in holding the fine on general principles.

stubborn defense. Trinity's line bucking and clever interference showed the benefit of living in Washington, a town where everybody from a grandfather to a two-year-old tackles low.

School colors were very much in evidence, the Wheeling high school being well represented by a crowd of girls who wore the "yellow and blue." Linsly's "yellow and black" was the most conspicuous, and Trinity Hall's "orange and black" had a number of wearers. The game hadn't got fairly started until both teams were plastered with fresh mud, and the players came forth from every scrimmage with a good-natured smile as they spat out large and varied assortments of wet clay.

Trinity crossed Linsly's line only once in the first half. In ten minutes of play Watson shot around right end and by a good interference made a touchdown. In a thirty-yard run, owing to the mud the try at goal failed. The first half ended, Trinity Hall 5, Linsly 0. Trinity opened Linsly's line for big gains in the second half and carried the ball down the field down after down. With a rushing over for the first touchdown, Davis kicked goal. Watson started down the field for another long run, but as he had stolen the ball he was called back. Then to show how it was done, after Trinity got the ball, Watson was sent around right end again and he ran the eighty yards without a break to Linsly's goal. Big Rodgers, who has played with W. & J., made the third touchdown in this half, being pushed through the left of Linsly's line. Only one goal was kicked, and the game ended 21 to 0.

Twenty minute halves were played. Linsly's line couldn't hold a yard, the playing was done mostly in Linsly's territory. The condition of the ground favored Trinity, which was much the heavier team, but Linsly was up against it. Linsly's pluck is famous and the boys showed it yesterday in their gritty defense.

The line up of the teams was as follows:

McNeill.....L. C.....Thompson

form doesn't count in football any more than in other lines of sport. Both teams are confident and what betting has been done favors the Pittsburgh boys.

Tickets for the game have been placed on sale at Stamp's sporting goods store and the McLure and Windsor news stands. It has developed that the teams will be about equal in weight, the college having more in the aggregate, but the average will be the same, 175 pounds. The visitors have the advantage of superior training, coaching and practice, and their individual players show up better. But the Wheeling team has never boasted of stars, yet it always gets there or pretty near there. The score is expected to be close, and Captain Edwards said yesterday with reference to the Pittsburghers' claims of two or three touchdowns, "Well, I have nothing to say, except that we will play ball."

Captain Edwards spoke the truth when he said that W. A. C. would play ball first, last and all the time, and his remarks strengthen the belief that W. A. C. will decide the dispute of which is the better team, since last year W. A. C. and the college played a 6-6 game. The college has some wonderful players in Van Cleave, of Lehigh, and P. A. Co. who coaches the team; Comerford, Ellisler, Muhlen, Burns, Cannon and Farrar, who have all seen service on college and athletic teams. They play a friendly game and Wheeling has always turned out in force on Thanksgiving and the college team's local admirers will assist the visiting delegation of rooters. The college brass band will likely come down.

The opposing line-ups, with their weights, is as follows:
PITTSBURGH.—Pos. W. A. C.
155 Van Cleave.....L. C. E. S. Edwards 153

A Sure Sign of Croup.

Hoarseness in a child that is subject to croup is a sure indication of the approach of the disease. If Chamberlain's Cough Remedy is given as soon as the child becomes hoarse, or even after the croupy cough has appeared, it will prevent the attack.
